

Benefits of Annual Maintenance & Support

White Glove Service & Features

At FileOnQ™ we provide long-term value with our annual maintenance and support services. We believe

that protecting your investments is an important part of your business strategy. When a support need arises, whether just a matter of training or a need to deploy additional functionality, FileOnQ™ is committed to providing the highest level of support that is possible. We are committed to personal customer care combined with the latest support technologies to ensure we deliver the lowest cost of ownership and the highest productivity gains on the market today.

Customer Quotes

"We have used FileOnQ™ for over three years. After seeing and talking with other departments that have QueTel or the Beast I know that we made the right decision. One of the best features is the service you receive after the purchase." **Property Officer, Paul Kreinheder, [Murrieta Police, CA](#)**

"From the initial contact to the final installation and training, we experienced consistently high professionalism and expertise in all the divisions of FileOnQ™.... We heartily recommend FileOnQ not only for this program, but also for their excellence in customer service." **Chief of Police, Steve Roos, [Idaho Falls Police Department, ID](#)**

Customer Value

Our customers find their annual maintenance and support provides value that far exceeds the annual renewal fee. They continually express appreciation and [praise](#) for the support that FileOnQ™ provides and the fact that we provide white glove service every step of the way.
